"Aubrey performed at our wedding last year and he was without a doubt the highlight of the evening! Everyone talked about his performance for weeks after and still do! Aubrey is so versatile and sang girls aloud to queen to nessun dorma! He had a standing ovation for nessun dorma. I can't put into to words just how amazing his performance was! I want to renew our vows already so we can have Aubrey perform for us again.

Thanks Aubrey."

"Aubrey, for us the wedding ceremony was the most important part of the day, but the next important thing was us having quality entertainment.

You gave us the best wedding we could have ever had, you worked so hard and everybody had an absolutely amazing time and thought you were superb, the dance floor was packed all night. You put up with us nagging u in emails for requests, you did the quo for the Owen family, having the Minder theme as first dance was brilliant, Sospan Fach amazing, i could go on and on.

I will be 40 in 3 years, and will defo get in touch to book you.

All the best to you and Foxy, great team, lovely people.

Rob & Michelle's Wedding - Dorset 2006

Hi Aubrey!

We simply had to write to you to express our most sincere thanks for the way you performed at our wedding reception on the 27th August 2006.

You were quite simply amazing and without exception, every one of our guests with whom we have spoken since has said how fantastic you were. Everyone said that they had to keep looking at you as they could not believe that you were actually singing the songs and not playing the original CD's.

The tracks you selected were perfect for the spread of ages and you somehow managed to keep virtually the whole wedding party on the dance floor all night.

You managed to extend our already perfect day into a perfect night which we all loved and will never forget.

Without trying you gave us an extra special wedding gift of an amazing memory which we will treasure forever.

Thank you once again and we hope to see you again in the future.

Yours gratefully,

Rob & Michelle Davies

Aubrey,

We just wanted to say a massive thank you for singing at our wedding. You absolutely blew everyone away and they have quite rightly been raving about you ever since. My brother in law now wants to book you for his wedding and we are trying to find an excuse for a big party so that we can book you again!! A friend of Ian's is pregnant and her baby kicked for the first time during Nessun Dorma at the ceremony!

You are an absolute star and deserve endless success. As I said to you on the day, you were my green, green grass of home and helped make our day unforgettable in the best possible way.

Kindest regards,

Ian and Emmi Wainwright

Mel B - The Spice Girls

"I like it..."

Richard Jones - The Stereophonics

"Do you know in all my years as a producer I have never heard anyone with the talent and range you that you have. You blew both me and my wife off our feet. I can't wait to work with you."

Gary Bromham - Producer (George Michael, Sheryl Crow)

"Dear Aubrey,

You sang at my wedding in March. Wanted to (very belatedly) say how fantastic you were. An absolute dream to book and hardly any organising needed by us (luckily!). The singing in the Church made the day feel as though it had a fabulous soundtrack, especially when we watch our DVD. I can't tell you how pleased we were, and how it really made our day extra special. Of course the evening was super, and so many of our guests commented on how great they thought you were. Thank you so much, you were absolutely marvellous and no hint of the prima donna (even when we clearly forgot to organise the refreshments properly) which came as a great relief when we were organising the wedding. Would fully recommend you to anyone - and have done so on those wedding forums full of mental bride to be's. Anyway cheers!

Best wishes

Fern

P.S Watched the entire program just to see you, again people congratulated us on our foresight of having a musical masterpiece at the wedding. Cheers for the reflected glory.)"

The following is an email from Kathryn Evans - Co Owner of Blush Baby in Cowbridge, S. Wales. Kathryn is the wife of Rugby Legend Ieuan Evans. I performed at the launch party.

Just to say thank you so much for entertaining us at Farthings last night. You really helped create a lovely atmosphere that was enjoyed greatly by all those who attended.

Thanks again and no doubt we'll see you performing again in the not too distant future.

Kathryn"
